

TREE PLANTING

The Israeli community celebrated "**TU B'SHEVAT**" at A&B Dzorwulu primary school.

Tu B'Shevat, the 15th of **Shevat** on the Jewish calendar, is the day that marks the beginning of a "**new year**" for trees. This is the season in which the earliest blooming trees in the Land of Israel emerge from their winter sleep and begin a new fruit-bearing cycle.

We marked the day of Tu B'Shevat by planting 30 trees in the school yard and around together with students of the primary school.

STL group donated all the equipment and the trees for that celebration

We also made vegetable gardens for the students to maintain and enjoy the fruits.

We pair Israeli children with Ghanaian children from the school community, and apart from planting we have created friendships among the children.

The Grade 6 children will maintain and continue to take care of the trees
